GOVERNMENT OF TRIPURA
DIRECTORATE OF INFORMATION TECHNOLOGY

ITI Road, Indranagar, Agartala – 799006

MEMORANDUM

Subject: Upgradation of department or College Website from Drupal 7.0 to Drupal 10.0 and Migration to New Server.

In compliance with the Migration practice of Tripura State Data Centre (TSDC) and in line with the latest security standards, it has been decided to upgrade all organizational websites from Drupal 7.0 to Drupal 10.0.

The existing Drupal 7.0 framework is outdated, lacks regular security patch support, and is increasingly vulnerable to cyber threats. Moreover, it does not align with the current server specifications of Tripura State Data Center (TSDC). To address this, the Directorate of Information Technology (DIT) has developed an upgraded version of your organisation's website on Drupal 10.0 and hosted temporarily as a staging link. The list of upgraded websites and staging details is attached in **Annexure-A** for reference.

The departments or colleges are hereby requested to review the contents of your upgraded website and confirm the same by **10th September, 2025**, enabling timely migration to the new server. In case any corrections, modifications, or content updates are required, the same may kindly be communicated within the stipulated timeframe.

Further, if the concerned department conveys consent it may kindly be sent at the email ID: state.portal-tr@gov.in.

(Jeya Ragul Geshan. B, IFS)

Director, IT

Government of Tripura

Copy to:

1. The Secretary, IT, Govt of Tripura, for kind information.
