This vision fuels our efforts in nurturing responsible citizens and future leaders who can shape a just and progressive society.

Ramthakur College is proud to hold a 'B' grade with a 2.31 score from NAAC, a testament to our unwavering pursuit of academic excellence and institutional integrity. Our campus is thoughtfully equipped with a semi-automated library, smart classrooms, laboratories, computer center, playgrounds, and facilities for students with disabilities, ensuring an inclusive and future-ready learning environment.

In your time here, you will discover countless opportunities to hone your talents, sharpen your intellect, and explore new frontiers — all under the dedicated mentorship of our esteemed faculties. 3. Ramthakur College: A Brief History

Ramthakur College, an affiliated College of the Tripura University, is a co educational institution and imparts teaching, learning and research in various subjects at undergraduate level. It was a necessity- hundreds of students could not seek admission in the established colleges of Agartala and the influx was on. The man who derived inspiration in accepting the challenge was a 'bare-footed half-clad ordinary employee of Agartala Municipality'. He harped on the idea of coming out with a solution to the problem of the dearth of Colleges in Agartala. It was Late Pramod Ranjan Bhatta Chaudhuri who was determined to build up a college in the name of Sri Sri Ramthakur, a very popular Godhead of the then East Pakistan.

The College was established in the year 1967 by Late Pramod Ranjan Bhatta Chaudhuri at Town Pratappgarh in a six room structure with eight subjects in the Arts group and catered to the crying need of Higher Education by admitting all and sundry who could not procure a berth for himself or herself in the then degree college of Agartala. That was the beginning, July the 17th, 1967 and then there was no looking back. Presently the college has Arts, Science and Commerce streams with approximately 5600 students. It caters to the aspirations and dreams of boys and girls of the sub-urban areas of Agartala.
